

STAKEHOLDERS ENGAGEMENT PROCESS

Basic Assessment (BA) for the Proposed Land-Based Aquaculture Farm in Betty's Bay
Nature Works Project No: NW01102018

Notice is hereby given of a Stakeholder engagement process in terms of the National Environmental Management Act 107 of 1998 (NEMA) and the Environmental Impact Assessment (EIA) Regulations, GNR 982 of 2014.

Project description and location: West Coast Salmon (Pty) Ltd. Proposes to establish a land-based Atlantic Salmon Aquaculture farm in Betty's Bay to promote job creation for local communities and to reduce Salmon import requirements. Nature Works Environmental Consultancy was appointed as an independent Environmental Assessment Practitioner to undertake the BA process in terms of NEMA and the EIA regulations, including Listing Notices (LN) 1-3.

Application for Environmental Authorization (EA) to undertake the following listed activities will be submitted:

- LN1 (3): The development and related operation of facility or infrastructure for the slaughter of animals;
- LN1 (6): The development and related operation of facility, infrastructure or structure for aquaculture;
- LN1 (8): The development and related operation of hatcheries or Agri-industrial facilities outside industrial complexes where the development footprint covers an area of 2 000 square metres or more;
- LN1 (10): The development and related operation of infrastructure exceeding 1000 metres in length for the bulk transportation of sewage, effluent, process water, waste water, return water, industrial discharge or slimes;
- LN1 (15): The development of structures in the coastal public property where the development footprint is bigger than 50 square metres;
- LN1 (17): Development- (i) in the sea; (v) within 100 metres inland of the high-water mark of the sea or an estuary;
- LN1 (19): The infilling or depositing of any material of more than 5 cubic metres into, or the dredging, excavation, removal or moving of soil, sand, shells, shell grit, pebbles or rock of more than 5 cubic;
- LN1 (27): The clearance of an area of 1 hectare or more, but less than 20 hectares of indigenous vegetation;
- LN3 (3): The development and related operation of facilities of any size for any form of aquaculture.

Opportunity to participate: A Background Information Document is available from Nature Works and can be downloaded from www.natureworkssa.com or from request from the contact person below.

Stakeholders are invited to register on the project database and/or to submit initial input into the BA process. Submissions from stakeholders must include their name, contact details (specifying the preferred method of notification, e.g. e-mail) and an indication of any business, financial, personal, or other interest which they have in the application, to the contact person below. Note that only registered stakeholders will be notified when the BA Report is made available for comment.

To submit, register or, request information, please contact: Jacques van Rensburg Nature Works Director at jacques@natureworks.co.za; 8 Vergenoegd street, Somerset West, 7130; Tel: 082 748 6623.

OPENBARE DEELNAMEPROSES

Basiese Assessering (BA) vir die Voorgestelde Landgebaseerde Akwakultuurplaas in Bettysbaai
Nature Works Projek No: NW01102018

U word hiermee in kennis gestel van die openbare deelnameproses in terme van die Wet op Nasionale Omgewingsbestuur, Wet 107 van 1998 (WNOB), en die Omgewingsimpak bepalings (OIB) Regulasies, RK 982 van 2014.

Beskrywing van die projek en ligging: West Coast Salmon (Pty) Ltd. beoog om 'n land-gebasseerde Salm Akwakultuur plaas in Bettysbaai te ontwikkel vir werk skepping vir die omliggende gemeenskap en die vermindering van invoer vereistes van Salm. Nature Works (Pty) Ltd. is as 'n onafhanklike Omgewingsbeoordelingspraktisy aangestel om 'n die BA proses wat vereis word in terme van WNOB en die OIB Regulasies, insluitend Lysingskennisgiving (LK) 1-3 te onderneem.

Aansoek vir Omgewingsmagtiging (OM) om die volgende gelyste aktiwiteite te inderneem sal voorgelê word:

- LN1 (3): Die ontwikkeling en verwante bedryf van fasilitet of infrastruktuur vir die slag van diere;
- LN1 (6): Die ontwikkeling en verwante bedryf van fasilitet, infrastruktuur of struktuur vir akwakultuur;
- LN1 (8): Die ontwikkeling en verwante bedryf van broeieryke of agri-industriële fasilitete buiten industriële komplekse waar die ontwikkelingsvoetspoor 'n oppervlakte van 2 000 vierkante meter of meer dek;
- LN1 (10): The development and related operation of infrastructure exceeding 1000 metres in length for the bulk transportation of sewage, effluent, process water, waste water, return water, industrial discharge or slimes;
- LN1 (15): Die ontwikkeling van strukture in die kusseidom waar die ontwikkelingsvoetspoor groter as 50 vierkante meter is;
- LN1 (17): Ontwikkeling- (i) in die see; (v) binne 100-meter binneland van die hoogwatermerk van die see of 'n riviermonding;
- LN1 (19): Die invulling of deposito van enige materiaal van meer as 5 kubieke meter in of die baggerwerk, uitgraving, verwydering of verskuiwing van grond, sand, skulpe, skulpgruis, klippies of rots van meer as 5 kubieke;
- LN1 (27): Die opruiming van 'n oppervlakte van 1 hektaar of meer, maar minder as 20 hektaar inheemse plantegroei;
- LN3 (3): Die ontwikkeling en verwante bedryf van geriewe van enige grootte vir enige vorm van akwakultuur.

Geleentheid om deel te neem: 'n Agtergrondinligtingsdokument is beskikbaar by Nature Works en kan afgelaai word by www.natureworkssa.com of op versoek van die kontakpersoon hieronder.

Belanghebbendes word uitgenooi om te registreer op die projek databasis en / of aanvanklike insette in die BA proses in te dien. Voorleggings van belanghebbendes moet hul naam, kontakbesonderhede insluit (spesifiseer die voorkeurmetode van kennisgiving, bv. E-pos) en 'n aanduiding van enige besigheid, finansiële, persoonlike of ander belang wat hulle in die aansoek het, aan die kontakpersoon hieronder. Let daarop dat slegs geregistreerde belanghebbendes in kennis gestel sal word wanneer die BA-verslag beskikbaar gestel word vir kommentaar.

Om in te dien, te regstreer, of inligting te versoek, kontak asseblief: Jacques van Rensburg Nature Works Direkteur by jacques@natureworks.co.za; 8 Vergenoegd street, Somerset Wes, 7130; Tel: 082 748 6623.
